

EnduraCoat Aqueous Coatings

Low-VOC aqueous coatings for a more eco-friendly laminating solution

EnduraCoat liquid laminates are low in VOC's and are specially formulated for applications such as fleet graphics; giclée prints on canvas; signs and banners or digitally printed wall coverings.

While these coatings are meant to be used with the Drytac® line of coating equipment, they can also be applied by hand with a roller, paint pad OR airless sprayer. Average coverage is 15 square metres per litre when applied with Flood coater such as the AFC Series. Manual applications will vary depending on method and other factors. A manual application guide is available on the Drytac® website at www.drytac.co.uk Contact your local sales representative to discuss your particular application.

PRODUCT CODE	NAME	DESCRIPTION AVAILABLE IN 1 QUART, 1 GALLON AND 208 LITRES (DRUM)
ECWBFA-G	Fine Art Gloss	Specifically developed for canvas and giclée prints. Eliminates the micro air bubble issue commonly found in giclée coatings. For manual application or for use with the AFC1600, AFC2200 and AFC3200. Fortified with UV absorbers and light stabilizers. 85 to 95 units gloss.
ECWBFA-M	Fine Art Matte	Same as above but with a matte finish. 10 to 20 units gloss.
ECWBFA-S	Fine Art Satin	Same as above but with a satin finish. 30 to 40 units gloss.
ECWBIG	Intego Gloss	Low cost gloss coating designed for hand-applied applications. Super fast drying and virtually odor free coating. Outdoor durable for up to 3 years. 80 to 90 units gloss. See ** below.
ECWBIM	Intego Matte	Low cost matte coating designed for hand-applied applications. Super fast drying and virtually odor free coating. Outdoor durable for up to 3 years. 20 to 30 units gloss. See ** below.
ECWBTG	Transit Gloss	Specifically developed for transit application of all types including SAV and Lorry Truck Curtains. Contains light stabilisers and UV absorbers. Outdoor durable for 5 years*. Compatible with solvent, eco solvent, UV and latex inks. 80 to 90 units gloss. NEW!
ECWBTM	Transit Matte	Matte version of Transit Gloss. Outdoor durable for 5 years*. 10 to 20 units gloss. NEW!
ECWBUM	UltraMural	Flat matte, fade resistant coating for digitally printed wall coverings and backdrops. Excellent moisture and mildew resistance. Contains UV light absorbers and stabilizers. 5 to 10 units gloss.
ECWAPP	**Manual Application Kit	Includes applicator for use when applying coatings by hand. Highly recommended for use with Intego.

VOC= volatile organic compound
